

Erie Canalway National Heritage Corridor

- Management Plan:
http://www.eriecanalway.org/about-us_preserve-manage.htm
 - Page 1.9: The Commission is not empowered to purchase or otherwise control property, enact laws or regulations, or direct the expenditure of public funds by other governmental entities. The individual municipalities and organizations in the Corridor will be encouraged to take advantage of the opportunities to work with the National Heritage Corridor, and to voluntarily implement their own plans and projects within the armature of the Plan.
